

**2017-2018 Annual Report: Arica Site**  
**Corporation Development NGO for Solidarity Projects**  
**Chile, Latin America**

**+ Education**

*Achievements*

1. More than 80% of sponsored youth who were in the last year of secondary education have completed their studies.
2. 50% of young people who finished their secondary education have opted to pursue university or technical studies.
3. In 2017 we had 79 university students and 21 young people studying technical studies.

*Goals*

1. For mothers and/or fathers organize themselves to distribute their time to reinforce their children's schoolwork.
2. For sponsored children and adolescents to improve their school performance.

**+ Health & Hygiene**

*Achievements*

1. Thanks to the critical needs funds, 8 people from sponsored and non-sponsored families, who had serious health problems, benefited from health exams and medical treatments in the country's capital.
2. 4 families benefited with the delivery of gift cards for the purchase of personal hygiene supplies.
3. 37 family circles have been an example to motivate families to budget personal hygiene and household supplies, thus preventing illnesses.

*Goals*

1. Use Critical Needs funds to support people in vulnerable situations who require urgent support in orthopaedic supplies.
2. That beneficiary families develop the habit of quoting in different places before making purchases of diapers or other hygiene products.

## Nutrition

### *Achievements*

1. Thanks to the quarterly help, 70% of families with sponsored children, adolescents and older adults were able to cover part of their basic food needs.
2. 4 children and 9 older adults received Gift Cards for the purchase of food. For those who had mobility difficulties, field workers helped to take the products to their home.
3. Thanks the critical needs funds, a sponsored girl received the necessary nutrition to follow a healthy and rigorous diet to support her treatment against cancer.

### *Goals*

1. Funds from the Gift Catalogue will be used to purchase special foods for sick children and seniors.
2. That families incorporate healthy foods into their diet.

## Community

### *Achievements*

1. 90 families participated and were trained in Home Garden workshops; learning how to grow their own food.
2. Two vegetable dehydration workshops were held, benefiting around 25 families.
3. 37 family circles were imparted with workshops regarding Relaxation and Synergetic, improving the mood of mothers.

### *Goals*

1. Use funds from the Gift Catalogue to improve people's quality of life in situations of vulnerability; such as beds, kitchens, etc.
2. Support new microentrepreneurs in the purchase of working tools with funds from the Gift Catalogue.

## **Family**

### *Achievements*

1. 40 families know and are aware of the problems generated in the family by alcohol consumption, thanks to the workshops developed by the site.
2. 90 families know and learned methods of growing food in their homes, through training workshops developed by the site.
3. 25 families know and practiced methods of dehydrating vegetables for sale.

### *Goals*

1. Strengthen the ties between Parents and Children through Communication and Emotion Management workshops for all CFCs.
2. Use funds from the Gift Catalogue to improve people's quality of life in situations of vulnerability; such as beds, kitchens, etc.

## **Direct Family Financing (DFF)**

### *Achievements*

1. The Arica Site managed to form 25 CFCs with 100% of the sponsored children, each CFC had between 25 to 30 members, so, slowly, more CFCs were formed. At the end of the period, there was 37 CFC. Each CFC has between 15 to 20 members.
2. More than 99.5% of families have a bank account in *Banco del Estado* and receive funds from the sponsorship through bank deposits in a transparent manner.
3. 80% of mothers save for the purchase of school supplies or for Christmas shopping, 10% of mothers deposit a large part of their funds in bank accounts for the future of their children, either for housing or for studies.

### *Goals*

1. Organize "Garage Sales" by sector, as a way to generate funds to help household economies.
2. Elaborate a database with the profession of tutors and families, promoting the implementation of "Barter"; for example, articles for manual labor.
