

## Annual Report 2017-2018: Sponsor Site Fray Luis Amigó Proyecto de Desarrollo Fray Luis Amigó Guatemala, Latin-America

### Education

#### Accomplishments

1. 99% of sponsored children are studying and get good grades.
2. Children with learning difficulties have received school reinforcement.
3. Four young people continue their university studies, thanks to the "Una Esperanza para mi Futuro" (Hope for my Future) Program.

*Effort and Dedication in their Studies*

*Sponsored Girls awarded as best students on Sept. 15*

#### Goals

1. Provide ongoing support to our sponsored, through reinforcement classes and constant visits to school institutions, to avoid school dropouts.
2. Motivate our sponsored to continue their studies, considering short and long term goals.

### Health and Hygiene

#### Accomplishments

1. Approximately 220 cases of health were attended, promoting good health of our children and elderly.
2. Deworming sessions were organized, accompanied by laboratory tests to detect anemia and diabetes in children, adolescents and mothers. In addition, vitamins were delivered to this population.
3. A health workshop was held to raise awareness among families about the importance of good health.

*Receiving Medicines*

## Goals

1. Continue provision of medical care and delivery of medicines to sponsored and abandoned elderly.
2. Raise awareness among families about the importance of personal hygiene for their children, for good health and proper personal presentation.

## Community

### Achievements

1. To promote self-sustainability in families, soap and embroidery workshops were given to 76 mothers.
2. Workshops and gatherings were held with Prayer Circles of mothers and sponsored children, where faith, love, and the ability to share have been fostered

### Goals

1. Continue the implementation of small sustainable projects so that families can have decent work sources.
2. Implement group savings with the mothers of families that participate in the different self-sustainability workshops.

## Nutrition

### Achievements

1. Daily, children receive lunch in the Community Soup Kitchens.
2. Mothers of families obtain knowledge in the handling of food, renewable waste, orchards and native plants.

### Goals

1. Overcome malnutrition in Children, thanks to nutritious feeding.

2. Promote consumption of nutritious foods, and proper storage of foods by families.

## **Family**

### *Achievements*

1. Several families going through difficult situations were support supported through advice and accompaniment.
2. More united families thanks to the development of activities to strengthen families.
3. 90% of the homes of the sponsored children were visited by the field workers, evaluating and accompanying the situation of each family.

### *Goals*

1. Visit 100% of the homes of our sponsored.
2. Awake in families a spirit of service, collaboration, as well as active and progressive participation to respond to the challenges presented by today's society.

## **Family Circles**

### *Achievements*

1. 60 Family Circles were formed with their respective leaders.
2. Families have become aware of the importance of good administration of funds, prioritizing health, nutrition, education and clothing.

### *Goals*

1. Provide further accompaniment and training to each Family Circle, in order to strengthen good use of sponsorship funds and improve their financial situation.
2. To have families better equipped for life, conscious of the value of solidarity, family budgets and group savings.
